### REGISTRATION/PARTICIPATION RULES FOR STRESS CONGRESS 2023

1. The Stress Congress participant is considered to be the professional who has purchased a participation ticket, according to his/her professional category - Specialist/Resident/Retired, Student / Other Categories, Medical Assistant, etc.

#### 2. RULES FOR PHYSICAL ATTENDANCE AND WATCHING OF THE STRESS CONGRESS 2023 ONLINE

For watching the Stress Congress online streaming, participants will be informed via an e-mail about their login details on the platform one day before the event.

**Important! In order to receive the certificate with CME credits, it is necessary and mandatory that each participant is logged in every day, for every session, for the whole duration of the congress, according to the crediting requirements of the professional organisations to which each health professional belongs - CMR/ O.A.M.G.M.A.R. For participants with physical attendance, they must be present for the whole duration of the congress in the event hall.**

**CME credited certificates cannot be issued to participants who have not filled in the fields required by the professional organisations for crediting (e.g. CUIM, certificate number, etc.) at registration.**

The ticket is not transferable. The event can be watched online from a single device; Instead, you can transfer your ticket to another person, with the obligation to notify/communicate us all the necessary/necessary data at registration, in order to validate that person for the issue of CME certificates, before 01 September this year;

Post-event, depending on participants' logins and Congress tracking time, the transmission platform generates attendance reports that will be submitted to the professional

associations and based on which CME certificates will be received.

The payment of a participation ticket does not ensure the receipt of the CME certificate! In case of failure to meet the specific requirements imposed by the professional organisations for event crediting, we will not be able to issue the CME certificates! Important!

No CME certificate will be awarded to Students, Pharmacists, Psychologists. Retired and/or resident physicians who want CME certificate must fill in the CUIM at registration, otherwise CME certificate cannot be issued.

### 3. The participation fee paid includes:

- ✓ Pre and post event newsletters;
- ✓ Access to scientific sessions throughout Stress Congress 2023 (28-30 September);
- ✓ Credits granted by decision of each professional association, namely: Romanian College of Physicians, Order of General Nurses, Midwives and Medical Assistants of Romania/O.A.M.G.M.A.M.R - Bucharest Branch;
- ✓ Diploma of participation, in the case of students, of participants with other professions for which no professional credits are obtained, other than doctor, medical assistant;
- ✓ Diploma of participation with certification of the corresponding credits in electronic format, for participants in the event belonging to professional categories for which credits are awarded according to the regulations in force of the professional associations (doctor, medical assistant);
- ✓ Post-event access to recordings of the congress on the website [www.stresscongress.org](http://www.stresscongress.org);
- ✓ For participants opting for online participation in Stress Congress 2023, the broadcast will be live - link-ul will be received by each participant and will be active until 30 September 2023;
- ✓ Link and download access to the Stress Congress 2023 Brochure - the electronic brochure available post-event, which will contain all Stress Congress 2023 speakers' abstracts and Congress e-posters;
- ✓ Possibility to participate with e-poster/abstract in the E-POSTER section of STRESS CONGRESS 2023;
- ✓ Participants who have opted for physical attendance will benefit from access to the event hall and will have access to the coffee breaks and lunches scheduled in the programme.

## **PROVOCĂRILE DIGITALIZĂRII ÎN MANAGEMENTUL MEDICAL AL STRESULUI**

Stress Congress is a national event with international participation, now in its 6th edition.

Every year, the congress brings together more than 500 participants from all over the country - doctors from different specialties, nurses, medical and psychology students. The theme of the 2023 edition is "The Challenges of Digitisation in Medical Stress Management", and will take place from 28-30 September at the Palace of Parliament - C.A. Rosetti Hall.
